TOWN COUNCILMAN REPORT

Town of Sherburne Councilman Ed Meyers reported that the Town Meeting and Public Hearing was held on October 8th. He reports that there was no objection to the Proposed Budget and said was adopted. The Code Enforcement Officer has received two permit applications within the Town. The Town of Sherburne Superintendent would like to meet with the Village of Sherburne and Earlville after the first of the year.

TRUSTEE REPORTS

Trustee Hayes reported that there are three new prospective Fire Department members- Jessica Riha, Courtney Orvis and Jacob Parsons. Jason Fowlston has been removed from the roster. The Fire Department will have hot dogs and cider at the old bus garage for the Halloween Parade. Mayor Excell stated that he does not like the idea of not having activities at the fire house for the smaller kids. Hayes reported that the Fire Department would like to use the hydrants for training earlier in the evening when flushes are done. They would also like to do flow tests on hydrants. On October 7th, the Fire Department held a Fire Prevention Open

House and fire extinguisher demonstration. The Fire Department stated that they would mention the need for house numbers in their January letter offering to provide 911 numbers for a nominal fee. Mayor Excell would like the Village Office to put a notice on the back of the water bills announcing the legal need to have visible house numbers on homes. The Town of Hamilton passed a law to override the 2% Tax Cap Limit for this coming year. The Town is having their Budget Hearing on October 30, 2014. Madison County will more than likely override the 2% Tax Cap as well. The Town of Hamilton had a Hearing on the Local Road Use Law; it was not voted on.

Trustee Corey reported that the Events Committee met on October 7th. December 13th is the scheduled date for the Christmas Celebration. There will be no Home Decorating Contest or Fruit Cake Curling contest; these activities may be included in the Winterfest in February. The Ithaca mayor has been invited by the Village to do the Tree Lighting Ceremony. Mayor Excell suggested that a Veteran also be invited to do it as well.

Trustee Moore reported that Village Court had 23 vehicle and traffic violations and 3 criminal violations. Mayor Excell stated that the increase in motor vehicle tickets is that both counties have been in the village writing tickets due to complaints from residents. Parks and recreations- nothing much going on until spring, have received another name of someone who is willing to help rebuild the Half Pipe. There was no codes report.

Mayor Excell reported that DPW is busy; Wissenbach went to Port Byron to pick up the equipment for the salt brine operation. Village of Hamilton will be installing the system.

NEW BUSINESS

Angelica would like to use the Village's PA system for the Halloween Festivities. All Board members agreed that it would be okay. Excell reported that the Parade will now take place on the sidewalk, rather than closing down the street. The Fire Dept. will provide fire police and an engine at the field for the bonfire after the parade. Angelica would also like Mayor Excell to be present for the activities. Excell stated that he did plan on attending.

Mrs. Peirce from Vital Vittles, Inc., a not-for-profit corporation dedicated to addressing local food issues would like to offer her assistance in getting the Earlville Farmers Market authorized by the Department of Agriculture and Markets. This would allow vendors to participate in at least four State Agriculture programs benefiting seniors and low income residents. The Board agreed to go ahead with the Ag programs; Mrs. Pierce will meet with the Clerk-Treasurer to get started with this for next year's sales. The second reason Mrs. Pierce was present; she would like permission from the Board to sell her items at the Farmers Market until the snow flies. She sells meats and produce, which sell (and keep) better in the colder weather. All Board Members agreed to this.

David Craine reviewed the insurance policies for both the Fire Department and the Village. After answering questions from the Board, Mr. Craine left at 8:30.

It was approved by all Board Members to purchase a TracFone and minutes for the office assistant to use to contact the DPW workers during business hours. The cell phone will be left in the Village Office.

A letter was received from Jim Spinella asking for the Board to consider waiving the \$100.00 shut off and reconnect fee for Account number 2830. The owner of the home recently passed away and the estate funds were frozen for a time. The money has been released and a check was mailed to the Village, which included the \$100 fees. After a lengthy discussion, all Board Members agreed to waive the \$100.00 fees by crediting the account.

OLD BUSINESS

Mayor Excell reported that Trustees Hayes, Moore and himself met with Lloyd Sutton to interview him for the Codes Enforcement Officer position. All three stated that they were impressed with Mr. Sutton and his credentials; Mayor Excell would like to hire him. It was explained that the Village had originally intended to use shared services with the Town of Hamilton for Codes Enforcement, however the Town's Enforcement Officer resigned unexpectedly and the shared services plan has been put on hold. There are several projects ongoing within the Village that needs the attention of a codes officer. After a lengthy discussion, all Board Members agreed to hire Mr. Sutton as the Village's Codes Officer. He will start Wednesday October 22, 2014.

Motion #6-10.21.2014

On a motion by Moore, seconded by Piliero it was agreed to hire Lloyd Sutton as the Codes Enforcement Officer for the Village to start October 22, 2014, approved unanimously, 5-0.

Motion #7-10.21.2014
