OLD BUSINESS

At the May 21st Board Meeting, Mayor Excell had asked the Trustees to review the three bids that were received for a new 2014 Ford F250 XL truck with a 8' snow plow and 24" light bar for the DPW. The bids were: Niles in Hamilton \$28,592.00, Chenango Ford in Greene \$28,829.00 and Vision Ford in Rochester \$31,071.00. It was agreed at the May 21st Board Meeting that the '03 Ford should be put out to bid as it would likely bring in more money than trading it in would. Excell reminded everyone that the truck from Niles has cloth seats while the truck from Chenango Sales has vinyl seats; he recommended going w/ cloth seats and covering them with seat covers. Everyone agreed that the DPW truck needs to be replaced. A brief discussion followed regarding each bid. Trustee Hayes questioned whether the truck from NILES had manual locking hubs or auto. Niles Auto was called during the meeting and put on speaker phone- they stated that yes, it did have manual locking hubs with shift oh the fly four wheel drive, which in his opinion was better than automatic locking hubs. After a lengthy discussion on the bids received,

NEW BUSINESS

Mayor Excell reported that Tim Meiers was called on Wednesday to come remove broken branches from a tree on Madison Street. The broken branches were dangling directly over the sidewalk and Excell felt it was an emergency issue to have them removed before someone was injured by them falling. Meiers agreed to come back first thing Thursday morning and clean up the tree.

Mayor Excell would like to hire Jason Clark for the part-time summer position. All trustees were in agreement with his decision. Clark will start immediately.

Trustee Moore then ended the meeting by a motion to adjourn the Board Meeting at 6:29, seconded by Trustee Hayes, and carried 4-0.
